

## 2021 UNITED METHODIST WOMEN NEW BABY RECOGNITION

The Tucker First United Methodist Women are delighted to recognize children born into our church family by honoring them with a gift to missions in each child's name. These gifts help support institutions and programs specifically designed to empower and improve the lives of women, youth and children in the United States and around the world. By honoring our children with these gifts, we are also feeding another child, providing medicine for a sick child, or in some way helping someone in need.
